EDUCATION

B.Tech, Computer Science

Babu Banarasi Das University

Pursuing

Class XII

Ajmani International School — 62%

Class X

Ajmani International School — 68.8%

TECHNICAL SKILLS

- Python Programming
- HTML / Web Basics
- Data Science & AI (Ongoing)
- MS Word & MS Office
- Basic Computer Applications

CORE STRENGTHS

- Leadership
- Communication
- Teamwork & Collaboration
- Problem Solving
- Quick Learner

PROFILE

Motivated and detail-oriented B.Tech Computer Science student with a strong foundation in programming and a growing specialization in Data Science and Artificial Intelligence. Demonstrated leadership ability through successful project management, with a keen interest in applying analytical and technical skills to solve real-world problems. Seeking an entry-level opportunity to contribute to innovative projects while continuing to build expertise in AI/ML technologies.

KEY PROJECT

AI-Driven Job Matching Platform

Team Lead

- ▶ Led a cross-functional team to design and develop an AI-based platform that intelligently matches job seekers with suitable roles based on skills and preferences.
- ▶ Applied core AI concepts to build a recommendation-style matching system, improving relevance of job-candidate pairings.
- ▶ Coordinated task allocation, timelines, and communication among team members, ensuring smooth and on-time project delivery.
- ▶ Gained hands-on experience in collaborative software development and applied problem-solving.

ADDITIONAL INFORMATION

- ▶ Currently enrolled in a Data Science & Artificial Intelligence certification course, strengthening practical knowledge of AI/ML concepts and tools.
- ▶ Passionate about emerging technologies and their real-world applications.
- ▶ Open to internships, training programs, and entry-level roles in Data Science, AI, or Software Development.

DECLARATION

I hereby declare that the information provided above is true and accurate to the best of my knowledge and belief.
